

NAVEEN KUMAR S

Cyber Security Analyst

CAREER OBJECTIVE

Motivated and detail-oriented B.Sc. Information Technology student seeking an opportunity to apply my technical skills, problem-solving abilities, and passion for cybersecurity in a challenging IT environment while continuously learning emerging technologies and contributing to organizational success.

PROJECTS

PROJECT 1 | ReconX – Cybersecurity Web Scanner

- Technologies Used: Python, Flask, HTML, CSS, JavaScript, SQLite, Nmap, WHOIS, DNS Lookup
- About the Project:
Developed a cybersecurity web application that performs network and website reconnaissance using Nmap, WHOIS, and DNS Lookup. The application analyses scan results, identifies potential security risks, generates downloadable reports, and provides an interactive dashboard with user authentication and scan history.

PROJECT 2 | Morsevision - Morse Code Encoder & Decoder

- Technologies Used: HTML, CSS, JavaScript
- About the Project:
Built a web-based application that converts plain text into Morse code and decodes Morse code back into text in real time. The project features a responsive user interface, instant conversion, and an intuitive design for learning and communication purposes.

EDUCATION

KPR College of Arts Science and Research 2024 – Present

- B.Sc. Information Technology
- Current CGPA: 8.3

Literacy Mission matric Hr Secondary School 2023 – 2024

- Higher Secondary Certificate (HSC)
- Percentage: 77%

Literacy Mission matric Hr Secondary School 2021 – 2022

- Secondary school leaving Certificate (SSLC)
- Percentage: 71%

TECHNICALSKILLS

PROFESSIONAL

- Java
- Python
- HTML, CSS & JavaScript
- Linux
- Git & GitHub
- Cybersecurity Fundamentals
- Problem Solving
- Communication

INTERNSHIP

- Completed a Cyber Security Internship at Hackup Technology Pvt. Ltd., gaining hands-on experience in cybersecurity tools and techniques.
- Worked with Kali Linux, Nmap, Wireshark, and Burp Suite to perform network analysis and basic security testing.

CERTIFICATIONS

- Cyber Security Internship Certificate
- 24-Hour Hackathon Certificate
- 1st Prize – Reels Making Competition (Team Event)
